

# ASAF BILKER

Software Developer

## ABOUT ME

2nd year ambitious Computer Science student in Tel Aviv University, with two years of experience in the Web Development and Gaming fields. Possessing excellent programming and analytical skills. In addition, Before I began my studies at Tel Aviv University, I studied at the Open University of Israel as a student in a program called "Transfer Pathway" or "Afik Maavar". I completed the program successfully, achieving a GPA of 89. I am looking for a Software Developer student position where I can develop and contribute to the company with the skills that I've acquired. Experience in developing a complete website from scratch, including both front-end (HTML, CSS, JavaScript) and back-end (Python, Flask) development.
